Do you ship on weekends or public holidays?

Delivery · https://meds2u.com.my/faqs/do-you-ship-on-weekends-or-public-holidays/

We avoid shipping on weekends / public holidays to ensure the supplements remain at their best quality. The ingredients require room temperature, and we aim to prevent exposure to overheating in courier warehouses over the weekend. Our priority is delivering top-quality products to our customers, and this practice helps maintain their effectiveness
